## SIZE GUIDE

### BODY MEASUREMENT TIPS

- When measuring yourself keep the tape firm but not tight
- Measure over undergarments for more accurate measurements
- If you don't have a measuring tape, use a piece of string and measure it using a ruler

### CHEST

Measure around the fullest part of your chest. This is the key measurement for shirts/blouses & dresses. Make sure the measuring tape sits horizontally across your body.

### WAIST

Measure around the natural waistline which is the narrowest part of your waist. This is an important measurement for trousers/pants/shorts & skirts

### HIP

Measure around the fullest part of the hips

- Our Size Charts are in *Finished Garment Measurements*.
- Size Charts are located on each individual garment on the website, under the **SIZE CHART** tab.
- To determine the size you need to **ADD** to your *Body Measurements* the following:
- **BLAZERS, DRESSES, TUNICS, SHIRTS, BLOUSES, POLOS** and other upper body garments **ADD 10 - 12 cm**
- **TROUSERS, SHORTS, SKIRTS & TUNICS** - **ADD 5 - 8 cm** in the waist. These garments are often adjustable in the waist to allow for extra growth.
- A good way to check is to measure & compare a similar garment that is a comfortable fit.

## UNIFORM GUIDELINES

- *Blazers are compulsory for students in Years 9 to 12. Blazers are to be worn to and from school all year round*
- *The academic uniform and the sport uniform should not be mixed in any way*
- *Sun-hats must be worn when necessary for sun protection*
- *If students have Sport or Physical Education classes, they may travel to and from school in their Sport Uniform. On those days students wear their Sport Uniform all day*
- *White Hair accessories for Summer, Navy Hair accessories for Winter*
